A Message from the Interim Chancellor

Celebrate 60 Years. Empower the Future.

This year, the University of Arkansas Hope-Texarkana proudly celebrates 60 years of transforming lives through education. As Chancellor, I've seen the profound impact that access to quality education can have, and I also recognize the growing challenges our students face in achieving their dreams.

That's why your support for the **UAHT Foundation** is more vital than ever.

Your gift goes directly toward:

- **Scholarships** that open doors for students in need
- **Educational resources** that enhance learning opportunities
- **Innovative programs** that prepare students for the careers of tomorrow

Every dollar you give helps remove financial barriers, giving students the chance to succeed—regardless of their background or circumstances.

This 60th anniversary is more than a celebration of our past—it's a call to action for our future. Join us in honoring this milestone by making a gift that empowers the next generation of UAHT students.

Give today. Transform tomorrow.

Together, we can continue to build bridges to brighter futures—one student at a time.

A Message from the Director of Institutional Advancement and Foundation

At the University of Arkansas Hope-Texarkana, giving is more than just a donation, it's a commitment to hope, growth, and a stronger tomorrow. It's believing in the power of education to change lives. When you give, you're not just helping a student earn a degree, you're uplifting families, empowering local businesses, and planting seeds of change that grow right here in the heart of Southwest Arkansas.

For 60 years, UAHT has been more than a college, it's been a lifeline, a launchpad, and a home for those dreaming of a better future. Our graduates don't just leave with an education, they return with a purpose. They become the nurses who care for our loved ones, the welders who build our local businesses, the teachers who shape the next generation of dreamers.

For 60 years, UAHT has been building bridges to success; standing as a symbol of opportunity and progress. Your generosity makes that possible. With your support, the next 60

years can be filled with even more stories of hope, strength, service, and success, not just for our students, but for every life they touch.

Together, we're not just changing lives. We are shaping the future of our community, one gift, one student, one dream at a time.

Journey Through Time: Exploring UAHT's History

This year marks a momentous milestone for the University of Arkansas Hope-Texarkana (UAHT) as we celebrate 60 years of serving students and the community. Since opening our doors in 1965 as the Red River Vocational-Technical School, we've grown to serve over 3,000 students annually across our campuses in Hope, Texarkana, Historic Washington, Arkansas, and online. Today, UAHT offers more than 50 certificates and degree programs, early college opportunities, community education courses, and business and industry training to meet the needs of a diverse community.

Unrestricted Giving = Unstoppable Students

What is it—and why does it matter more than ever?

At UAHT, our students show up every day determined to change their lives through education, but behind every successful student is a complicated story. Many students are balancing work, parenting, caregiving, and rising costs.

And while scholarships help cover tuition, **they don't cover everything.** That's where **unrestricted giving steps** in.

Your gift to the **UAHT Unrestricted Fund** is powerful because it's flexible. It helps us respond immediately when a student is in crisis, when a faculty member has an idea, or when a classroom needs an upgrade.

In short: **it goes where it's needed most, exactly when it's needed.**

Over the past 60 years, much has changed. But one thing remains the same: when our community steps up, our students move forward.

What Does Unrestricted Giving Support?

Keeping Students on Track When Life Gets Hard

Sometimes, success hinges on something small like gas money or groceries. Unrestricted giving supports emergency aid programs like:

- The Student Gas Card Program
- Student Emergency Fund

These lifelines help students stay enrolled and focused on learning, and not just surviving.

Empowering Faculty to Inspire

When faculty have the tools and support to innovate, students thrive. Your gift helps:

- Fund hands-on, real-world projects
- Pilot new teaching strategies
- Bring cutting-edge technology into the classroom

Modernizing Campus Spaces and Technology

A lot has changed since 1965, and our campus must keep up. Unrestricted funds help us:

- Upgrade labs, classrooms, and study spaces
- Improve access to learning technology
- Create an environment that's welcoming, modern, and built for success

Fostering Community, Belonging, and Pride

Your gift supports student-led clubs and campus activities that make UAHT feel like home.

Growing Tomorrow's Leaders

Student leadership programs, mentorship opportunities, and civic engagement initiatives help our students gain confidence, build skills, and discover their voice.

Flexible Giving. Lasting Impact.

Your **60th Anniversary Gift** to UAHT's Unrestricted Fund does more than support one program. It helps every student, every classroom, and every corner of campus.

It's the most powerful gift you can give, **because it helps us help students right now, and plan boldly for what's next.**

Give where it's needed most. Empower what matters most.
