ANNUAL SECURITY REPORT

University of Arkansas Community College at Hope-Texarkana

2026 ANNUAL SECURITY REPORT

Introduction

This report is provided in compliance with the Jeanne Clery Campus Safety Act. It provides students and employees of University of Arkansas Community College at Hope and Texarkana ("College" or "UAHT") with information on: the College's security arrangements, policies and procedures; programs that provide education on such things as drug and alcohol abuse, awareness of various kinds of sex offenses, and the prevention of crime generally; and procedures the College will take to notify the campus community in the event of an emergency. Its purpose is to provide students and employees with information that will help them make informed decisions relating to their own safety and the safety of others.

Policy for Preparing the Annual Report

This report is prepared by the Vice Chancellor for Student Services in cooperation with local law enforcement authorities and includes information provided by them as well as by the College's campus security authorities and various other elements of the College. Each year an e-mail notification is made to all enrolled students and employees that provides the website link to access this report. Prospective students and employees are also notified of the report's availability. Hard copies of the report may also be obtained at no cost by contacting UAHT Campus Police Department, Administration Building, 2500 South Main, Hope, AR 71801. The College is committed to taking the actions necessary to provide a safe and secure working/learning environment for all students and staff. As a member of the campus community, you can feel safe and comfortable knowing that security procedures are in place that represent best practices in the field, and are constantly tested and re-evaluated for their effectiveness.

General Safety and Security Policies

Campus Security Personnel & Relationship with Local Law Enforcement

The UAHT Campus Police Department is responsible for campus safety at the College.

Members of the UAHT Campus Police Department are commissioned law enforcement officers. They have the authority to make arrests and carry firearms. The department's jurisdiction covers all of the College's property.

UAHT has a written mutual aid agreement with the Texarkana Arkansas Police Department. UAHT maintains a close working relationship with local law enforcement agencies including the Hope Police Department, Arkansas State Police, Arkansas Highway Police, and County Sheriffs' Offices.

Campus Security Authorities

The College has designated certain officials to serve as campus security authorities. Reports of criminal activity can be made to these officials. They in turn will ensure that the crimes are reported for collection as part of the College's annual report of crime statistics. The campus security authorities to whom the College would prefer that crimes be reported are listed below.

- UAHT Campus Police Hope Campus at 870-722-8570, 2500 S. Main, Hope, AR 71801, Admin. Complex Office 167
- UAHT Campus Police Texarkana Campus at 870-216-2907, 3501 U of A Way, TXK, AR 71854, Professions Bld. Office 116
- Dean of Student Services at 870-702-8108, 2500 S. Main, Hope, AR 71801, Student Center Suite 220
- Dean of the Texarkana Campus at 870-216-2901, 3501 U of A Way, TXK, AR 71854, Admin. Bld. 116
- Vice Chancellor for Student Services at 870-722-8227, 2501 S. Main, Hope, AR 71801, Student Center Suite 220

Reporting a Crime or Emergency

The College encourages accurate and prompt reporting of all criminal actions, emergencies, or other incidents occurring on campus, on other property owned by the College, or on nearby public property to the appropriate administrator and appropriate police agencies. Such a report is encouraged when the victim of a crime elects to, or is unable to, make such a report.

- All crimes occurring on or near College property should be reported immediately to the Campus Police Department. The number to contact is 870-722-8570.
- If a crime is in progress or there is some other situation posing imminent danger, local law enforcement can be reached by dialing 911.
- Students, staff, and visitors should also report situations to one of the campus security authorities identified above. Once reported, the individual may also be encouraged to report the situation to the appropriate police agency. If requested, a College staff member will assist in making the report to police.
- Anonymous incident reports can also be made by calling the UAHT Campus Police Department.

Confidential Reporting

The College will protect the confidentiality of victims. Only those with a need to know the identity for purposes of investigating the crime, assisting the victim or disciplining the perpetrator will know the victim's identity.

Pursuant to the College's sexual misconduct policy, when an employee who is not a confidential resource becomes aware of alleged misconduct under that policy (including, but not limited to, dating violence, domestic violence, sexual assault, and stalking), the employee is responsible for reporting that information, including the status of the parties if known, to the Title IX Coordinator. A victim of other types of crimes (e.g., aggravated assault, burglary, etc.) who does not want to pursue action within the College disciplinary system or the

criminal justice system is nevertheless encouraged to make a confidential report to a campus security authority. Upon the victim's request, a report of the details of the incident can be filed with the College without revealing the victim's identity. Such a confidential report complies with the victim's wishes, but still helps the College take appropriate steps to ensure the future safety of the victim and others. With such information, the College can keep an accurate record of the number of incidents involving members of the campus community, determine where a pattern of crime may be developing and alert the community as to any potential danger. These confidential reports are counted and disclosed in the annual crime statistics for the College.

The College does not employ any pastoral or professional counselors and thus does not have procedures for these positions to inform the persons they are counseling of any procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics.

Security of and Access to Campus Facilities

All academic buildings are secured during the evenings and weekends. Access to the buildings after business hours is only allowed for faculty/staff members and students who are accompanied by faculty/staff members. Campus Police officers perform vehicle patrols of building and parking lots. There are security cameras in many of the public areas of each building.

Students and employees are asked to be alert and to not circumvent practices and procedures that are meant to preserve their safety and that of others.

- Do not prop doors open or allow strangers into campus buildings that have been secured.
- Do not lend keys or access cards to non-students and do not leave them unattended.
- Do not give access codes to anyone who does not belong to the campus community.

Keys to the offices, laboratories, and classrooms on campus will be issued to employees only as needed and after receiving the proper authorization. Each department supervisor is responsible for assuring his/her area is secured and locked.

Employee and student identification cards may be used to verify the identity of persons suspected to be in campus facilities without permission.

Security Considerations in the Maintenance of Facilities

The Campus Police Department works with the Facilities Department to identify maintenance issues on campus that may be safety hazards. Safety checks are completed to identify street or safety lights that are not functioning properly, or to determine if shrubs or other landscaping might need trimming. Maintenance personnel regularly check to ensure there is adequate lighting on pathways and that egress lighting is working in hallways and stairwells.

Educational Programs Related to Security Awareness and Prevention of Criminal Activity

The College seeks to enhance the security of its campus and the members of the campus community by periodically presenting educational programs to inform students and employees about campus security procedures and practices, to encourage students and employees to be responsible for their own security and the security of others and to inform them about the prevention of crimes. These programs are discussed below.

The College provides information at the beginning of each academic term for students and employees regarding the College's security procedures and practices. This information is in the form of posters and other displays, new student orientation presentations, professional development and training for employees each semester, and email. Among other things, it advises students and employees of the importance of reporting criminal activity, to whom crimes should be reported, being responsible for their own safety and the safety of others and practices regarding timely warnings and emergency notifications.

Crime prevention programs are also presented each semester by Student Services. In addition, email blasts are periodically sent out to students and employees with crime prevention and other safety tips, and videos and information on crime prevention are available on the website.

Monitoring Off Campus Locations of Recognized Student Organizations

The College does not have any officially recognized student organizations with off campus locations and therefore does not monitor or record criminal conduct occurring at such locations.

Disclosure of the Outcome of a Crime of Violence or Non-Forcible Sex Offense

Upon written request, the College will disclose to the alleged victim of a crime of violence (as that term is defined in section 16 of title 18, United States Code), or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the College against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of the paragraph.

The previous paragraph does not apply to victims of dating violence, domestic violence, sexual assault, or stalking because under the Violence Against Women Act both the accused and accuser in these cases are given the results without the need to make a written request.

Drug and Alcohol Policy

The College is committed to creating and maintaining an environment that is free of alcohol abuse. The College prohibits the possession, use, and sale of alcohol beverage on campus or as any part of the College's activities, unless it is done so in accordance with applicable College policies, and it also enforces the state's underage drinking laws.

The College also enforces federal and state drug laws. The possession, sale, manufacture or distribution of illegal drugs is prohibited on campus or as any part of the College's activities. Violators of the College's policies or federal and state laws regarding illegal drugs will be subject to disciplinary action and possibly criminal prosecution.

Crime Definitions

Crime Type (Arkansas Code)	Definitions
Dating Violence	The institution has determined, based on good-faith research, that Arkansas law does not define the term dating violence.
Domestic Violence	The institution has determined, based on good-faith research, that Arkansas law does not define the term domestic violence (aside from as set forth below). Arkansas defines “domestic abuse” to mean: (A) Physical harm, bodily injury, assault, or the infliction of fear of imminent physical harm, bodily injury, or assault between family or household members; or (B) Any sexual conduct between family or household members, whether minors or adults, that constitutes a crime under the laws of Arkansas. Ark. Code § 9-15-103(4). Arkansas does have various degrees of “domestic battering” that are defined in a manner that could be classified as “dating violence” and “domestic violence.” These domestic battering crimes are found at Ark. Code § 5-26-303 to 305 and generally involve a perpetrator causing some degree of physical injury to a family or household member. In this regard, Ark. Code § 5-26-302 and Ark. Code § 9-15-103 use the following definitions (or some variation thereof): • “Dating relationship” means a romantic or intimate social relationship between two (2) individuals that is determined by examining the following factors: (i) The length of the relationship; (ii) The type of the relationship; and (iii) The frequency of interaction between the two (2) individuals involved in the relationship. “Dating relationship” does not include a casual relationship or ordinary fraternization between two (2) individuals in a business or social context. • “Family or household member” means: (A) A spouse; (B) A former spouse; (C) A parent; (D) A child, including any minor residing in the household; (E) Persons related by blood within the fourth degree of consanguinity....; (F) Persons who presently or in the past have resided or cohabited together; (G) Persons who have or have had a child in common; or (H) Persons who are presently or in the past have been in a dating relationship together. A person commits domestic battering in the first degree (Ark. Code § 5-26-303) if:

This section does not apply to a person entering into or remaining in a public changing facility: (i) with a minor under seven (7) years of age if the person is a minor's parent, guardian, or family member, or is otherwise authorized to care for the minor; (ii) for maintenance or inspection purposes if the person is authorized to conduct maintenance or inspection of the public changing facility; (iii) to render medical assistance; (iv) to accompany a person needing assistance when the actor is the parent, guardian, or family member, or is otherwise authorized to care for the person needing assistance; (v) to provide assistance in using the public changing facility; (vi) if the public changing facility has been temporarily designated for use by persons of the same sex as the person entering into or remaining in the public changing facility; or (vii) who is a certified law enforcement or corrections officer accompanying a person of the opposite sex in his or her custody. As used in this section, (1) "Sex" means a person's immutable biological sex as objectively determined by anatomy and genetics existing at the time of birth.
Consent (as it relates to sexual activity)	The institution has determined, based on good-faith research, that Arkansas law does not define the term consent (as it relates to sexual activity).

College Definition of Consent

The College uses the following definition of consent in its sexual misconduct policy for the purpose of determining whether sexual violence (including sexual assault) has occurred:

Consent is clear, knowing, and voluntary. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, if those words or actions create mutually understandable clear permission regarding willingness to engage in (and the conditions of) sexual activity. If coercion, intimidation, threats, or physical force are used, there is no consent.

If a person is mentally or physically incapacitated so that the person cannot understand the fact, nature, or extent of the sexual situation, there is no consent. Incapacitation can be due to alcohol or drugs or being asleep or unconscious. This policy also covers incapacity due to mental disability, involuntary physical restraint, or from the taking of rape drugs. Possession, use and/or distribution of any of these substances, including Rohypnol, Ketamine, GHB, Brundage, etc. is prohibited, and administering one of these drugs to another person is a violation of this policy. More information on these drugs can be found at <http://www.911rape.org/>

Use of alcohol or other drugs will never function as a defense to a violation of this policy. An individual violates this policy if the individual initiates and engages in sexual activity with someone who is incapacitated, and (1) the individual knew the other person was incapacitated, or (2) a sober reasonable person under similar circumstances as the person initiating the sexual activity would have known the other person was incapacitated.

There is also no consent when there is force, expressed or implied, or use of duress or deception upon the victim. Whether an individual has taken advantage of a position of influence over an alleged victim may be a factor in determining consent.

Force is the use of physical violence and/or imposing on someone physically to gain sexual access. Force also includes overt threats, implied threats, intimidation, and coercion that overcome resistance or produce consent.

Coercion is unreasonable pressure for sexual activity. Coercive behavior differs from seductive behavior based on the type of pressure someone uses to get consent from another. When someone makes clear to you that they do not want sex, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

Under Arkansas law, the age of consent varies with the degrees of assault, the age of the actor, and the relationship of the actor to the other party. For specific information, please refer to Arkansas statutes (e.g., Arkansas Code Annotated § 5-14-125, Sexual Assault in the Second Degree).

Consent to any one form of sexual activity cannot automatically imply consent to any other forms of sexual activity. In addition, previous relationships or prior consent cannot imply consent to future sexual acts.

Risk Reduction

If you find yourself in an uncomfortable sexual situation, these suggestions may help you reduce your risk:

- Make your limits known before going too far.
- You can withdraw consent to sexual activity at any time. Do not be afraid to tell a sexual aggressor “NO” clearly and loudly.
- Try to remove yourself from the physical presence of a sexual aggressor. Be direct as possible about wanting to leave the environment.
- Grab someone nearby and ask them for help.
- Be responsible about your alcohol and/or drug use. Alcohol and drugs can lower your sexual inhibitions and may make you vulnerable to someone who views an intoxicated/high person as a sexual opportunity.
- Attend large parties with friends you trust. Watch out for your friends and ask that they watch out for you.
- Be aware of someone trying to slip you an incapacitating “rape drug” like Rohypnol or GHB.

If you find yourself in the position of being the initiator of sexual behavior, these suggestions may help you to reduce your risk of being accused of sexual assault or another sexual crime:

- Remember that you owe sexual respect to the other person.
- Don’t make assumptions about the other person’s consent or about how far they are willing to go.
- Remember that consent to one form of sexual activity does not necessarily imply consent to another form of sexual behavior.
- If your partner expresses a withdrawal of consent, stop immediately.
- Clearly communicate your sexual intentions so that the other person has a chance to clearly tell you their intentions.
- Consider “mixed messages” a clear sign that the other person is uncomfortable with the situation and may not be ready to progress sexually.
- Don’t take advantage of someone who is really drunk or on drugs, even if they knowingly and intentionally put themselves in that state. Further, don’t be afraid to step in if you see someone else trying to take advantage of a nearly incapacitated person.
- Be aware of the signs of incapacitation, such as slurred speech, bloodshot eyes, vomiting, unusual behavior, passing out, staggering, etc.

It is also important to be aware of the warning signs of an abusive person. Some examples include: past abuse; threats of violence or abuse; breaking objects; using force during an argument; jealousy; controlling behavior; quick involvement; unrealistic expectations; isolation; blames others for problems; hypersensitivity; cruelty to animals or children; “playful” use of force during sex; Jekyll-and-Hyde personality.

Bystander Intervention

In addition to reporting incidents to appropriate authorities, below are some ways in which individuals can take safe and positive steps to prevent harm and intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking against another person.

- Look out for those around you.
- Realize that it is important to intervene to help others.
- Treat everyone respectfully. Do not be hostile or an antagonist.
- Be confident when intervening.

- Recruit help from others if necessary.
- Be honest and direct.
- Keep yourself safe.
- If things get out of hand, don't hesitate to contact the police.

Other Information Covered by the PPAP

The PPAP also provides information on possible sanctions and protective measures that may be imposed following a determination that an offense of dating violence, domestic violence, sexual assault, or stalking has occurred, an explanation of the disciplinary procedures that will be followed when one of these offenses is alleged, the rights of the parties in such a proceeding, available resources, and other pertinent information. Much of this information is set forth in the upcoming sections of this security report.

Ongoing Prevention and Awareness Campaign:

The College also conducts an Ongoing Prevention and Awareness Campaign (OPAC) aimed at all students and employees. This campaign covers the same material as provided in the PPAP, but is intended to increase the understanding of students and employees on these topics and to improve their skills for addressing the offenses of dating violence, domestic violence, sexual assault and stalking.

PPAP and OPAC Programming Methods:

The PPAP and OPAC are carried out in a variety of ways, using a range of strategies, and, as appropriate, targeting specific audiences throughout the College. Methods include, but are not limited to: presentations, online training modules, distribution of written materials, periodic email blasts, and guest speakers. A summary of this programming is provided below.

- New students receive education on the prevention of dating violence, domestic violence, sexual assault, and stalking through a required training course provided online to all entering students. The Office of Student Services and the Campus Police Department also provide information during orientation. All new employees are required to complete an online training module on these topics upon hire and are required to retake the online training every three years. Employees also attend a training session once each semester during professional development.
- As part of its ongoing campaign, the College uses a variety of strategies, such as in-person presentations by sexual assault organizations, emails blasts with pertinent information, portal announcements, etc. While programming occurs throughout the year, the College also offers educational sessions and literature in coordination with nationally recognized observances such as Sexual Assault Awareness Month and Domestic Violence Awareness Month.

Procedures to Follow if You are a Victim of Dating Violence, Domestic Violence, Sexual Assault, or Stalking:

If you are a victim of dating violence, domestic violence, sexual assault, or stalking, go to a safe place and call 911 or the Campus Police Department at 870-722-8570. You may also contact the College's Title IX Coordinator at 870-722-8227.

Victims will be notified in writing of the procedures to follow, including:

1. To whom and how the alleged offense should be reported (contact the Title IX Coordinator or refer to the other resources listed in this report).
2. The importance of preserving evidence that may be necessary to prove the offense in a criminal proceeding or disciplinary action or to obtain a protective order.
3. The victim's options regarding notification to law enforcement, which are: (a) the option to notify either on-campus or local police; (b) the option to be assisted by campus security authorities in notifying law enforcement if the victim so chooses (the institution is obligated to comply with such a request if it is made); and (c) the option to decline to notify such authorities.
4. Where applicable, the rights of victims and the institution's responsibilities regarding orders of protection, no-contact orders, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court.

Preservation of Evidence & Forensic Examinations

Victims of physical assault are advised to not remove clothing items worn during or following an assault, as they frequently contain valuable fiber, hair, and fluid evidence. Don't bathe or wash, or otherwise clean the environment in which the assault occurred. You can obtain a forensic examination at Southwest Arkansas Regional Medical Center, 2001 South Main Street, Hope, AR 71801, 870-722-3800; or Christus St. Michael Hospital, 2600 St. Michael Drive, Texarkana, TX 75503, 903-614-1000..

Completing a forensic examination does not require you to file a police report, but having a forensic examination will help preserve evidence in case you decide at a later date to file a police report.

Victims are also advised to retain evidence in electronic formats (e.g., text messages, emails, photos, social media posts, screenshots, etc.). Such evidence is valuable in all situations, and it may be the only type of evidence available in instances of stalking.

- UAHT Campus Police – Hope Campus, 2500 S. Main, Hope, AR 71801, 870-722-8570. UAHT Campus Police – Texarkana Campus, 3501 U of A Way, Texarkana, AR 71854, 870-216-2907
- Hope Police Department, 312 S. Washington St., Hope, AR 71801, 870-777-3434. Texarkana Police Department, 100 N. Stateline Ave. Texarkana, AR 75501, 903-798-3130
- To make a police report, a victim should contact the local police agency listed above either by phone or in-person. The victim should provide as much information as possible, including name, address, and when and what occurred, to the best of the victim's ability.

Information about Legal Protection Orders

In Arkansas, to file for an order of protection go to the county courthouse in the county where you live, where the abuse took place, or where the abuser may be served (given paperwork related to the case).¹ Find the civil clerk of court and ask for a petition for an order of protection. You can find a list of courts on the [AR Courthouse Locations](#) page. You can also find links to the forms online by going to [AR Download Court Forms](#).

You may also be able to obtain these forms by calling a local domestic violence organization or legal aid office. Most domestic violence prevention organizations can provide support for you while you fill out these papers. Click on the [Places that Help](#) page for a list of state and local programs and legal resources.

Tell the civil clerk of court that you want to file a petition for an order of protection. If you are in immediate danger, tell the clerk that you also want a temporary (ex-parte) order of protection.

If you need assistance filling out the forms, you may be able to ask the clerk for help. Some courts may have an advocate that can assist you. Another option is to find help through a local domestic violence organization – see our [AR Advocates and Shelters](#) page. A clerk or advocate can show you which blanks to fill in, but they cannot help you decide what to write.

When a protection order is granted, it is enforceable statewide. If you have obtained a protection order and need it to be enforced in your area, you should contact the local police department.

The institution will also enforce any temporary restraining order or other no contact order against the alleged perpetrator from a criminal, civil, or tribal court. Any student or employee who has a protection order or no contact order should notify the Title IX Coordinator and provide a copy of the restraining order so that it may be kept on file with the institution and can be enforced on campus, if necessary. Upon learning of any orders, the institution will take all reasonable and legal action to implement the order.

The institution does not issue legal orders of protection. However, as a matter of institutional policy, the institution may impose a no-contact order between individuals in appropriate circumstances. The institution may also issue a “no trespass warning” if information available leads to a reasonable conclusion that an individual is likely to cause harm to any member of the campus community. A person found to be in violation of a No Trespass Warning may be arrested and criminally charged.

Available Victim Services:

Victims will be provided written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available to them, both within the College and in the surrounding community. Those services include:

College Resources

- UAHT partners with Uwill to provide mental health therapy and crisis services to students. Information on how to utilize the services can be found at: <https://www.uaht.edu/student-services/counseling.php>.
- Student Financial Aid – Sometimes a victim of a crime may feel the need to take a leave of absence from school. If a student is considering a leave of absence based on the circumstances of a complaint, he/she should understand there may be financial aid implications in taking such leave. This should be discussed with financial aid personnel, and the Title IX Coordinator can assist in facilitating this conversation if desired. UAHT's financial aid website can be found at: <https://www.uaht.edu/financial-aid/index.php>.
- The UAHT employee **Member Assistance Program (MAP)**, available 24/7, offers confidential individual, family, and work-related counseling.

Accommodations and Protective Measures:

The College will provide written notification to victims about options for, and available assistance in, changing academic, living, transportation, and working situations or protective measures. If victims request these accommodations or protective measures and they are reasonably available the College is obligated to provide them, regardless of whether the victim chooses to report the crime to campus security or local law enforcement.

Requests for accommodations or protective measures should be made to the Title IX Coordinator at 870-722-8227, and the Title IX Coordinator is responsible for deciding what, if any, accommodations or protective measures will be implemented. Examples of potential

accommodations that may be available to students include schedule changes, extended deadlines, and escorts while on campus.

When determining the reasonableness of such a request, the College may consider, among other factors, the following:

- The specific need expressed by the complainant.
- The age of the students involved.
- The severity or pervasiveness of the allegations
- Any continuing effects on the complainant
- Whether the complainant and alleged perpetrator share the same class or job location.
- Whether other judicial measures have been taken to protect the complainant (e.g., civil protection orders).

The College will maintain as confidential any accommodations or protective measures provided a victim to the extent that maintaining confidentiality would not impair the College's ability to provide them. However, there may be times when certain information must be disclosed to a third party in order to implement the accommodation or protective measure. Such decisions will be made by the College in light of the surrounding circumstances, and disclosures of this nature will be limited so that only the information necessary to implement the accommodation or protective measure is provided. In the event it is necessary to disclose information about a victim in order to provide an accommodation or protective order, the College will inform the victim of that necessity prior to the disclosure, including which information will be shared, with whom it will be shared and why.

Procedures for Disciplinary Action:

Allegations of domestic violence, dating violence, sexual assault, or stalking will be processed through the College's Title IX Policy, Student Conduct Policy, or other relevant policy as appropriate to the allegations and the related complaint resolution procedures.

The complaint resolution procedures are invoked once a report is made to one of the following individuals:

Brian Berry, Vice Chancellor for Student Services
University of Arkansas Hope - Texarkana
Student Center office 229
P.O. Box 140, Hope, AR 71802-0140

Reports may be made in-person, by phone, or electronically. An electronic form available at [UAHT Student Code of Conduct](#) can also be used to file a report.

GRIEVANCE PROCEDURE

These procedures apply to all grievances regarding conduct that may constitute sexual harassment as defined in this policy (including sexual assault) and that falls within the College's Title IX jurisdiction. All other grievances by students, employees, or third parties shall be addressed through other procedures. The College's Title IX grievance process includes formal and informal procedures that encourage prompt resolution of complaints. In most cases, the complainant's submission of a formal, written complaint to the Title IX Coordinator will initiate the formal grievance process. However, the Title IX Coordinator may also submit a formal complaint under the circumstances described below. The College will respond promptly to all formal complaints of sexual harassment.

BASIC REQUIREMENTS

The College's grievance process shall adhere to the following principles:

- All relevant evidence - including both inculpatory and exculpatory evidence - will be evaluated.
- Credibility determinations may not be based on a person's status as a complainant, respondent, or witness.
- The Title IX Coordinator, investigator, hearing officers or panel members, decision-makers on appeal, persons involved with the informal resolution, and any other persons that play a significant role in the Title IX grievance process shall not have a conflict of interest or bias for or against complainants or respondents generally or for or against an individual complainant or respondent. The College shall carry out its disciplinary proceedings in a manner that is free from conflicts of interest by ensuring that there is no commingling of administrative or adjudicative roles. An advisor, investigator, adjudicator, and appellate adjudicator shall not carry out more than one role; however, it is not a conflict of interest for College's investigator to present evidence to an adjudicator.
- The respondent is presumed to not be responsible for the alleged conduct until a determination of responsibility is made at the conclusion of the grievance process.
- The time frames for concluding the grievance process shall be reasonably prompt, as set forth in more detail in the procedures below.
- The grievance process may be temporarily delayed, and limited extensions of time frames may be granted, for good cause. In such instances, written notice to the complainant and the respondent of the delay or extension and the reasons for the action will be provided. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurring law enforcement activity; or the need for language assistance or accommodations of disabilities.
- Questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege will not be required, allowed, relied upon, or otherwise used. The College shall not consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized

professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in the capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the College obtains that person's voluntary, written consent to do so for a grievance under this section.

- No party shall be restricted from discussing the allegations under investigation or to gather and present relevant evidence.
- A party whose participation in a hearing, investigative interview, or other meeting shall be provided with a written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate.
- The College shall maintain an administrative file that includes without limitation all documents and evidence in the institution's possession or control that is relevant to an alleged violation and the College's investigation. The parties shall have reasonable continuing access to the administrative file and may ask the Title IX Coordinator to schedule a reasonable time to inspect it. The administrative file shall not include privileged documents, internal communications, or communications from nonparties that the institution does not intend to introduce as evidence at a disciplinary proceeding.

The administrative file shall include, without limitation

- Exculpatory evidence;
- Statements by an accuser or an accused student or a student organization;
- Third-party witness statements;
- Written communications;
- Social media posts;
- Demonstrative evidence;
- Documents submitted by any participant involved in disciplinary procedures; and
- The College's choice of a video recording, audio recording, or a transcript of any disciplinary ultimately held on the matter.

INITIAL REPORT/INTAKE PROCESS

Initial Meeting with Complainant: Promptly upon receiving a report of conduct that could potentially be a violation of Title IX, the Title IX Coordinator (or designee) will contact the complainant to schedule an initial meeting to, as applicable:

- Provide a copy of this policy and a copy of the Arkansas Student Due Process and Protection Act, codified at Ark. Code Ann. § 6-60-1401 et seq.
- Explain the process for filing a formal complaint and provide a copy of the Sexual Harassment Complaint Form on which the complainant may, if he or she agrees to disclose the information, provide details regarding the allegation, including the name of the accused individual and the date, location, and general nature of the alleged violation of policy
- Explain avenues for resolution, including informal and formal
- Explain the steps involved in an investigation and hearing under this policy

- Discuss confidentiality standards and concerns
- Refer to law enforcement, counseling, medical, academic or other resources, as appropriate
- Discuss, as appropriate, possible supportive measures, which are available with or without the filing of a formal complaint

If the complainant requests that no further action be taken and/or that no formal complaint be pursued, the Title IX Coordinator (and/or his or her designee) will inform the complainant that retaliation is prohibited and that honoring the complainant's request may limit the College's ability to fully respond to the incident. In the event the complainant stands firm on his or her request that no further action be taken, the Title IX Coordinator will evaluate whether to file a complaint under the criteria set forth below.

FORMAL COMPLAINT PROCESS

Form and Filing of Complaint: The filing of a formal, written complaint initiates the formal grievance process and is available to any person who is participating in (or attempting to participate in) a College educational program or activity. The Title IX Coordinator (or an investigator designated by the Title IX Coordinator) will investigate the allegations in the formal complaint. Formal complaints can be filed in several ways. The complainant may utilize the form provided or may submit the complainant's own document that contains the complainant's signature (either physical or digital) and is filed with the College's Title IX Office by U.S. mail, in person, through the Title IX portal provided for this purpose, or by email. The formal complaint should set forth the allegations and request that the Title IX Office investigate the matter.

Filing by Title IX Coordinator: The Title IX Coordinator may initiate the grievance process, even where the complainant declines to file a formal complaint, if the Coordinator determines that the particular circumstances require the College to formally respond to and address the allegations. Circumstances to be considered include, among others, a pattern of alleged misconduct by a respondent and whether the complaint has alleged use of violence, weapons, or other similar conduct. The Title IX Coordinator will also consider the complainant's wishes with respect to supportive measures and desired response by the College. Where a report is made anonymously and the Title IX Coordinator files the complaint, both the complainant and respondent will receive notice of the allegations with written details and identities of the parties if known.

Consolidation of Formal Complaints: The Title IX Coordinator may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances.

Dismissal of Complaint Prior to Resolution: A formal complaint must be dismissed by the Title IX Coordinator if the alleged conduct (1) does not constitute sexual harassment, as defined in this policy, even if proved; (2) did not occur in the College's education program or activity; or (3) did not occur against a person in the United States. In addition, a complaint may be dismissed if, at any time during the investigation or hearing, a complainant notifies the Title

IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; the respondent is no longer enrolled or employed by the recipient; or specific circumstances prevent the gathering of evidence sufficient to reach a determination as to the formal complaint or any allegations therein.

Upon dismissal of a formal complaint, for any reason, the Title IX Coordinator will send simultaneous, written notice of and reason(s) for the dismissal to the parties. The dismissal decision may be appealed pursuant to the procedure for appeals set forth in this policy. Dismissal of a complaint under this Title IX policy does not preclude a complainant from pursuing a grievance through other appropriate campus procedures.

Notice of Formal Complaint: Upon receipt of the formal complaint, the Title IX Coordinator will send simultaneous notifications of the filing of the complaint to the complainant and the respondent (if known). If, in the course of an investigation, the Title IX Coordinator decides to investigate allegations about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator will provide notice of the additional allegations to the parties whose identities are known. The initial notice will contain the following:

- The allegations of the complaint that potentially constitute sexual harassment, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview (including the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment under this policy, and the date and location of the alleged incident, if known)
- A copy of the Title IX policy
- A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process
- A statement informing the parties that a party may seek representation by an attorney. Additionally, a statement that the parties have a right to have one advisor of their choice to assist them throughout the proceedings who may be (but is not required to be) an attorney
- A statement that the parties have the right to inspect and review all evidence collected during the complaint process
- A statement that any party who knowingly makes false statements or submits false information during the grievance process will be subject to disciplinary procedures

Initial Meeting with Respondent: If a formal complaint is filed, the Title IX Coordinator will promptly schedule an initial meeting with the respondent after the written notice of the formal complaint is sent as described above. Prior to the initial meeting, the Title IX Coordinator shall provide a written notice of the date, time, location, participants, and purpose of the meeting, with sufficient time for the party to prepare to participate. During the initial meeting with the respondent, the Title IX Coordinator (or designee) will, as applicable:

- Provide a copy of this policy and a copy of the Arkansas Due Process and Protection Act, codified at Ark. Code Ann. § 6-60-1401 et seq. (if not previously provided)
- Explain avenues for resolution, including informal and formal
- Explain the steps involved in an investigation and hearing under this policy

- Discuss confidentiality standards and concerns
- Discuss non-retaliation requirements
- Inform of any supportive measures already determined and being provided to the complainant that would directly affect the respondent
- Refer to law enforcement, counseling, medical, academic or other resources, as appropriate
- Discuss, as appropriate, possible supportive measures that can be provided to the respondent
- At least 24 hours before a student may be questioned regarding the events giving rise to the complaint, the student must be notified of the student's rights under the Arkansas Due Process and Protection Act.

Right to Advisor: The College shall advise the parties that they may seek representation by an attorney. Additionally, both parties will be advised that they may be accompanied by one advisor/support person to assist them throughout the Title IX process (including any appeals), which can be (but is not required to be) an attorney. The advisor is not allowed to speak or otherwise actively participate during the pre-hearing interviews or meetings. It is the party's responsibility to obtain the services of an advisor, except that the College will make an advisor available to the parties during the hearing to determine responsibility upon request. A party who wants the College to provide an advisor for the determination hearing should make a request within 15 days after the party's filing or receipt of the formal complaint. The advisor's role at the hearing is further explained below.

Emergency Removal: The College may remove an accused student from the College's programs or activities on an emergency basis if the College:

- Undertakes an individualized safety and risk analysis;
- Determines that an immediate threat or the threat of safety of a student or another individual arising from the allegations of misconduct justifies removal of the accused student; and
- Provides the accused student with notice and an opportunity to challenge the decision immediately following his or her removal.
- An institution that removes an accused student on an emergency basis shall:
 - Within 24 hours of an institution removing an accused student on an emergency basis, provide written notice to the accused student that explains the institution's reasons for removing the accused student on an emergency basis;
 - Within 3 business days of the written notice, unless otherwise waived by the removed student, convene an interim hearing to determine whether there is substantial evidence that the removed accused student poses a risk to the health or safety of any student or other individual and that the emergency removal of the accused student is appropriate to mitigate that risk.
 - At the interim hearing, the removed accused student and the accusing student may be represented by an attorney or non-attorney advocate who may fully participate to the same extent as in a final hearing to determine responsibility.
 - An accused student's waiver of his or her right to be represented by an attorney or a non-attorney advocate shall not constitute an admission of guilt or a waiver of additional rights.

Administrative leave: Nothing in this policy precludes the College from placing a non-student employee respondent on administrative leave during the pendency of the grievance process.

Supportive Measures: Supportive measures, as defined in this policy, will be based on the facts and circumstances of each situation. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. They may include, but are not limited to, the following:

- Counseling
- Extensions of deadlines or other course-related adjustments
- Modifications of work or class schedules
- Campus escort services
- Mutual restrictions on contact between the parties
- Changes in working or housing locations
- Leaves of absence
- Increased security and monitoring of certain areas of the campus

The College will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the College to provide the supportive measures.

Informal Resolution: At any time after a formal written complaint is filed but prior to reaching a determination regarding responsibility, the College may facilitate a resolution without a full investigation and adjudication. The complainant and respondent must give their voluntary, written consent to the informal resolution process. The informal resolution process will not be utilized to resolve allegations that an employee sexually harassed a student.

Prior to commencing the informal resolution process, the Title IX Coordinator or designee must provide the parties a written notice that includes the following information:

- Notice of the allegations contained in the formal complaint, including dates, location(s), and identities of the parties
- Any agreed upon resolution reached at the conclusion of the informal complaint process will preclude the parties from resuming a formal complaint arising from the same allegations
- At any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint
- Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared

COMPREHENSIVE INVESTIGATION

If resolution of the allegations does not proceed through the informal process, the matter will proceed with a comprehensive investigation and resolution through the formal complaint processes. The Title IX Coordinator will be responsible for overseeing the prompt, equitable, and impartial investigation during the formal complaint process. The burden of proof and the

burden of gathering evidence sufficient to reach a determination regarding responsibility shall rest on the College and not the parties.

Assignment of Investigator: If the Title IX Coordinator's designee is to conduct the investigation, the Title IX Coordinator will forward the complaint to the investigator and share the investigator's name and contact information with the complainant and the respondent.

Conflicts of Interest and Bias: Immediately after the identity of the person who will conduct the investigation is determined and communicated to the parties, the investigator, the complainant, or the respondent may identify to the Title IX Coordinator in writing any real or perceived conflicts of interest or bias that the person charged with conducting the investigation (including the Title IX coordinator, where applicable) may have. The Title IX Coordinator will carefully consider such statements and will assign a different individual as investigator if it is determined that a material conflict of interest or bias exists.

Overview of Investigation: Upon receipt of the formal complaint, the Title IX Coordinator/Investigator (hereinafter "Investigator") will promptly begin the investigation, which shall include but is not limited to the following:

- Conducting interviews with the complainant, the respondent, and any witnesses (including expert witnesses, where applicable) and summarizing such interviews in written form
- Visiting, inspecting, and taking photographs at relevant sites
- Where applicable, collecting and preserving relevant evidence (in cases of corresponding criminal reports, this step may be coordinated with law enforcement agencies)
- Obtaining any relevant medical records pertaining to treatment of the complainant, provided that the complainant has voluntarily authorized release of the records in writing to the investigator

Inspection and Access to Evidence: The parties may identify to the Investigator any evidence or witnesses they wish to be included as part of the investigation. Both parties will also have equal opportunity to inspect and review any evidence obtained during the investigation. The Investigator will complete the gathering of evidence as soon as practicable, which will ordinarily occur within approximately 30 days after the filing of the formal complaint.

After the gathering of evidence has been completed but prior to completion of the investigative report, the Investigator will provide to each party and party's advisor, if any, any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the College does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence (whether obtained from a party or other source), so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation. The evidence will be provided in an electronic format or a hard copy. The parties will have 10 calendar days to submit a written response to the evidence, which will be considered by the Investigator prior to completion of the investigative report. The evidence will be made available for the parties to use at the hearing to determine responsibility.

Investigative Report: The investigative report shall fairly summarize the relevant evidence and must include the following items and information that is relevant to the allegations in the formal complaint:

- The dates of the Title IX Coordinator's initial receipt of a report of alleged sexual harassment against the complainant, intake meeting, and the filing of the formal complaint
- A statement of the allegation(s), a description of the incident(s), the date(s) and time(s) (if known), and location of the alleged incident(s)
- The names of all known witnesses to the alleged incident(s)
- The dates that the complainant, respondent, and other witnesses were interviewed, along with summaries of the interviews
- Descriptions or summaries of any physical or documentary evidence that was obtained (e.g., text messages, emails, surveillance video footage, photographs)
- Any written statements of the complainant, respondent, or other witnesses
- The response of College personnel and, if applicable, College-level officials, including any supportive measures taken with respect to the complainant and respondent

The Investigator shall provide a draft of the investigative report to the Title IX Coordinator for review before the report becomes final. An electronic or hard-copy version of the final investigative report will be provided to each party (and each party's advisor) concurrently. The investigative report shall be provided as soon as practicable after the parties have submitted their written responses to the evidence (if any) and at least 10 calendar days prior to the determination hearing. The parties may provide a written response to the investigative report within 5 calendar days after receiving it.

DETERMINATION HEARING

Following the conclusion and distribution of the investigative report, a hearing will be conducted to determine the outcome and resolution of the complaint. The parties and their advisors, if any, will be notified by the Hearing Panel chairperson, or Title IX Coordinator of the date, time and location of the hearing, as set forth in the notice provisions below. A student or student organization may waive the right to be present at a disciplinary proceeding, but the waiver must be in writing and signed by the student. A copy of the signed waiver shall be provided to the student and placed in the administrative file. If a student waives the right to be present at a disciplinary proceeding, the student shall not have a right to appeal the College's initial decision regarding whether the student is responsible for violating this policy.

Hearing Panel: Within 3 days of the release of the investigative report to the parties, the Chancellor or his/her designee will appoint three-member Hearing Panel, which shall be composed of at least 2 faculty and/or staff members and may include (but is not required to include) one outside person who is not permanently employed by the College. The Chancellor or his/her designee will select one member of the Hearing Panel to act as the Chair. The Title IX Coordinator will provide a copy of the formal complaint and the investigative report, along with the parties' written responses to the investigative report, to each member of the Hearing Panel.

Promptly after the appointment of the members of the Hearing Panel, the Title IX Coordinator will provide concurrent written notice to the complainant and the respondent, setting forth the names of the individuals selected to serve as members of the Hearing Panel. The parties may challenge the participation of any decision-maker based on bias or a conflict of interest by submitting a written objection to the Chancellor or his/her designee within 3 calendar days of receipt of the notice. Any objection must state the specific reason(s) for the objection. The Chancellor or his/her designee will evaluate the objection and determine whether to alter the composition of the Hearing Panel. Failure to submit a timely and proper objection will constitute a waiver of the objection. Any changes in the Hearing Panel will be provided in writing to both parties prior to the date of the hearing.

Submission of Witnesses Lists: Within 5 calendar days of receipt of the notice of the Hearing Panel, both parties may provide to the Chair of the Hearing Panel a list of witnesses, if any, that they propose be called to testify and a brief description of each proposed witness's connection to and/or knowledge of the issues in dispute. Absent good cause, a party cannot include a witness on the party's pre-hearing witness list unless the witness was identified during the investigation. The Hearing Panel reserves the right to call relevant witnesses who may not have been included on a party's witness list.

Notice of the Hearing: Not less than 5 days but not more than 10 days after delivery of the notice of the initial composition of the Hearing Panel, the Chair of the Hearing Panel will provide a separate notice to the complainant, respondent, and any other witnesses whose testimony the Hearing Panel deems relevant, requesting such individuals to appear at the hearing to determine responsibility. The notice should set forth the date, time, and location for the individual's requested presence. The Hearing Panel shall provide, in its notice to the parties, the names of the witnesses that the Hearing Panel plans to call. The hearing shall be conducted promptly but no sooner than 10 calendar days after release of the investigative report.

Failure to Appear: If any party fails to appear at the hearing if requested to do so, and such party was provided notice of the hearing as set forth above, then absent extenuating circumstances, the Hearing Panel will proceed to determine the resolution of the complaint. As explained below, a party's failure to appear may impact the Hearing Panel's consideration and weight given to the non-appearing party's version of events based on another source, such as the formal complaint or a prior statement.

Option for Virtual or Separate Presence: Live hearings may be conducted with either all parties present in the same geographic location or, at the College's discretion, any or all parties and witnesses may appear at the live hearing virtually, with technology enabling participants simultaneously to see and hear each other. Either party may request not to be in the same room as the other party. If any party makes such a request, then both parties will be required to attend the hearing from a location or room different from where the Hearing Panel is sitting. If the hearing is virtual, or there is a request for separate rooms at a physical location, the College will ensure that all participants are able to simultaneously see and hear the party or witness answering questions. Instructions will be provided for accessibility prior to the hearing date.

Recordings: An audio or audio-visual recording will be created of the live hearing and will be made available for inspection and review at any party's request.

Advisor's Role at Hearing: The complainant and respondent may be accompanied by an advisor during the hearing to determine responsibility. A party must identify his or her advisor (if any) at least 5 days prior to the hearing. The advisor may fully participate to the same extent as a party, including by (1) making an opening and closing statement, (2) presenting relevant evidence, and (3) cross-examining adverse witnesses. The advisor can be anyone, including an attorney. A party may arrange for the party's advisor of choice to attend the hearing at the party's own expense. Alternatively, the College will select and provide an advisor to assist a party at the hearing to determine responsibility, without fee or charge, upon request. In either scenario, the advisor may only participate in the hearing to the extent allowed under this policy. A party who wants an advisor to be provided by the College should notify the Title IX Coordinator at least 15 days after the filing or receipt of the formal complaint.

Evidentiary Matters and Procedure: The parties, through their advisors, shall have an equal opportunity to question the opposing party and other witnesses, including fact and expert witnesses, and present other inculpatory or exculpatory evidence. Formal rules of evidence will not be observed during the hearing. The Hearing Panel will conduct the initial questioning of witnesses prior to the questioning by an advisor. The Chair of the Hearing Panel (acting alone or in consultation with other panelists) will make all determinations regarding the order of witnesses, relevancy of questions, and the evidence to be considered or excluded during the hearing and decision-making process. The Hearing Panel may, in its discretion, choose to call the Investigator for the purpose of providing an overview of the investigation and findings.

Witness Examinations by the Parties: Each party's advisor is permitted to question the opposing party and the other witnesses, so long as the questions are relevant and not duplicative of the questions posed by the Hearing Panel. The questions may include challenges to credibility. No other questioning or speaking participation by an advisor will be allowed. A party may not examine a party or witness directly; rather, a party must utilize the services of an advisor for the purpose of posing questions to another party or witness. A party not represented by an advisor may, however, submit a list of proposed questions to the Chair of the Hearing Panel and ask that the questions be posed to the opposing party or witness.

The decision-maker(s) cannot draw an inference about responsibility based solely on a party's or witness's absence from the live hearing or refusal to answer cross-examination or other questions. In a circumstance where a party or witness does not participate in a hearing, the panel should weigh the facts and circumstances in determining whether to consider, and what weight to assign, any statements furnished outside the hearing process.

The Chair of the Hearing Panel will make determinations regarding relevancy of questions before a party or witness answers. If a determination is made to exclude the question based on relevancy, the Panel Chair will provide an explanation of why the question was deemed irrelevant and excluded.

The Panel Chair may disallow the attendance of any advisor if, in the discretion of the Panel Chair, such person's presence becomes disruptive or obstructive to the hearing or otherwise

warrants removal. Advisors will not be permitted to badger or question the opposing party or any witness in an abusive or threatening manner. Absent accommodation for a disability, the parties may not be accompanied by any other individual during the hearing process except as set forth in this policy. College officials may seek advice from the College's Office of General Counsel on questions of law, policy, and procedure at any time during the process.

Prior Sexual Conduct: Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

Confidentiality and Disclosure. To comply with FERPA and Title IX and to provide an orderly process for the presentation and consideration of relevant information without undue intimidation or pressure, the grievance process is not open to the general public. Accordingly, documents prepared in anticipation of the hearing (including the formal complaint, investigative report, evidentiary materials, notices, and prehearing submissions), recordings of the hearing, and documents, testimony, or other information used at the hearing may not be disclosed outside of the hearing proceedings, except as may be required or authorized by law.

Decision of the Panel and Standard of Evidence: Following the conclusion of the hearing, the Hearing Panel will confer and determine whether the evidence establishes that it is more likely than not that the respondent committed a violation of this policy. In other words, the standard of proof will be the preponderance of the evidence. This standard applies to complaints against both students and employees. In reaching the determination, the Hearing Panel will objectively and thoroughly evaluate all relevant evidence, both inculpatory and exculpatory, and reach an independent decision, without deference to the investigative report. The determination of responsibility shall be made by majority vote.

Written Determination of Responsibility: As soon as practicable following the hearing (and ordinarily within 10 days thereafter), the Panel Chair shall complete a report of the decision-maker's findings. The Panel Chair will send simultaneous notification of the decision to both parties and their advisors, where applicable, with the following information:

- Identification of the allegations potentially constituting sexual harassment under the policy
- A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence and the hearing held
- Findings of fact that support the determination
- Conclusions regarding the application of the College's conduct standards to the facts
- A statement and rationale for the result as to each allegation, including a determination as to responsibility using the preponderance of the evidence standard
- Any disciplinary sanctions imposed on respondent

- Whether any remedies designed to restore or preserve equal access to the College's education program or activity will be provided to the complainant (description of remedies is not included)
- Procedures and permissible bases for the parties to appeal

Sanctions: If the Hearing Panel determines that more likely than not the respondent committed a violation of this policy, then the Hearing Panel will determine sanctions and give consideration to whether a given sanction will (a) bring an end to the violation in question, (b) reasonably prevent a recurrence of a similar violation, and (c) remedy the effects of the violation. Sanctions for a finding of responsibility will depend upon the nature and gravity of the misconduct, any record of prior discipline for a violation of this policy, or both. The range of potential sanctions is set forth in the definitions section of this policy.

Ordinarily, sanctions will not be imposed until the resolution of any timely appeal under this policy. However, if it is deemed necessary to protect the welfare of the victim or the College community, the Hearing Panel may recommend to the decision-maker on appeal that any sanctions be imposed immediately and continue in effect until such time as the appeal process is exhausted.

Remedies: Where a determination is made that the respondent was responsible for sexual harassment, the Hearing Panel will determine any final remedies to be provided to the complainant, if any, and the Title IX Coordinator will communicate such decision to the complainant and the respondent to the extent that it affects him/her. Remedies must be provided in all instances in which a determination of responsibility for sexual harassment has been made against the respondent. Remedies must be designed to restore or preserve equal access to the College's education program or activity. Such remedies may include the same individualized services described above as "supportive measures;" however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent.

No Retaliation: The Title IX Coordinator will take steps to prevent any harassment or retaliation against the complainant, the respondent, or third parties, such as informing them about how to report subsequent problems, following up with them to ensure that there are no subsequent problems, and providing training for the campus community.

APPEALS

Procedure for Appeals: Both the complainant and the respondent may appeal from (1) the Title IX Coordinator's dismissal of a formal complaint or any allegations therein or (2) the Hearing Panel's determination. The appeal should be submitted in writing to the Title IX Coordinator within 7 days of receipt of the Hearing Panel's decision. The Title IX Coordinator will forward the appeal to the Chancellor. The appeal will be decided based on the written record and without deference to the decision of the Hearing Panel.

The Chancellor or his/her designee will decide the appeal. The Chancellor or designee shall make any decisions concerning appellate jurisdiction under the permissible grounds for appeal described below.

The party appealing may use the Appeal Form or the party may submit his/her own written and signed document. Acceptable means of notification include email, facsimile, hand-delivered notification, or postal delivery. The Title IX Coordinator will promptly inform the other party of the appeal.

Grounds for Appeal: The appeal from the decision of the Hearing Panel must be for one of the following reasons: (1) a procedural irregularity that affected the outcome of the decision; (2) there is new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made and that could affect the outcome of the matter; or (3) the Title IX Coordinator, Investigator(s), or Panel Member(s) had a conflict of interest or bias for or against complainants or respondents in general or against an individual complainant or respondent that affected the outcome.

Responses: Within 5 days of receipt of the appeal, the other party may submit a written statement in response to the appeal and which supports or challenges the dismissal or determination. The response should be submitted to the Title IX Coordinator, who shall provide a copy to the decision-maker and the appealing party.

Decision on Appeal: As soon as practicable after receiving the parties' written submissions (and ordinarily within approximately 10 days), the Chancellor (or designee) will issue a written decision describing the result of the appeal and the rationale for the result. The decision on appeal may uphold the decision, modify it, or remand for further factual development. The decision-maker on appeal will concurrently notify the complainant and the respondent of the decision, with a written copy provided to the Title IX Coordinator.

Employees: All non-tenure track faculty and staff members of the College without term contracts are at-will employees who may be terminated at any time, with or without cause. With regard to such faculty and staff, nothing in this Policy shall create an expectation of continued employment with the College or be construed to prevent or delay the College from taking any disciplinary action deemed appropriate (including suspension and immediate termination of employment) for any violation of state law, federal law, UA Board Policy, or College policy.

CERTIFICATION OF COMPLIANCE

At the conclusion of a hearing and appeal (if any), the Chancellor or Vice Chancellor for student affairs shall certify that the substantial rights of student complainants and respondents as established in the Arkansas Student Due Process and Protection Act, codified at Ark. Code Ann. § 6-60-1401 et seq., have been followed. The certification shall be maintained in the administrative file.

TIME PERIODS

The College will make every reasonable effort to ensure that the investigation and resolution of a complaint occurs in as timely and efficient a manner as possible.

Any party may request an extension of any deadline by providing the Title IX Coordinator or his or her respective deputies with a written request for an extension that includes reference to the duration of the proposed extension and the basis for the request.

The Title IX Coordinator may also modify timelines in cases where information is not clear, judged to be incomplete, relevant parties are not available for interview, absence of an advisor, concurrent law enforcement activity, the need for language assistance or disability accommodation and/or other circumstances that may arise.

Rights of the Parties in an Institutional Proceeding:

During the course of the process described in the previous section, both the accuser and the individual accused of the offense are entitled to:

1. A prompt, fair and impartial process from the initial investigation to the final result.
 - A prompt, fair and impartial process is one that is:
 - Completed within reasonably prompt timeframes designated by the institution's policy, including a process that allows for the extension of timeframes for good cause, with written notice to the accuser and the accused of the delay and the reason for the delay.
 - Conducted in a manner that:
 - Is consistent with the institution's policies and transparent to the accuser and the accused.
 - Includes timely notice of meetings at which the accuser or accused, or both, may be present; and
 - Provides timely access to the accuser, the accused and appropriate officials to any information that will be used during the informal and formal disciplinary meetings and hearings.
 - Conducted by officials who do not have a conflict of interest or bias for or against the accuser or the accused.
2. Proceedings conducted by officials who, at a minimum, receive annual training on the issues related to dating violence, domestic violence, sexual assault, and stalking and on how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.
 - Such training addresses topics such as the definition of sexual harassment; the scope of the College's education programs and activities; how to conduct investigations, hearings, and appeals and informal resolutions (as applicable); relevant evidence and how it should be used during a proceeding; proper techniques for questioning witnesses; basic procedural rules for conducting a proceeding; and avoiding actual and perceived conflicts of interest. UAHT utilizes the SUNY Student Conduct Institute for training of Title IX staff and hearing officers.

3. The same opportunities to have others present during any institutional disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice. The institution may not limit the choice of advisor, but may establish limits regarding the extent to which that advisor may participate in the proceeding, as long as those limits apply equally to both parties.
4. Have the outcome determined using the preponderance of the evidence standard .
5. Simultaneous, written notification of the results of the proceeding, any procedures for either party to appeal the result, any change to the result, and when the result becomes final. For this purpose, “result” means “any initial, interim and final decision by an official or entity authorized to resolve disciplinary matters” and must include the rationale for reaching the result and any sanctions imposed.

Possible Sanctions or Protective Measures that the College May Impose for Dating Violence, Domestic Violence, Sexual Assault or Stalking Offenses:

Following a final determination in the institution’s disciplinary proceeding that dating violence, domestic violence, sexual assault, or stalking has been committed, the institution may impose a sanction depending on the mitigating and aggravating circumstances involved. The possible sanctions include: warning; reprimand; probation; restitution; fine; loss of privileges; housing probation; suspension or expulsion/termination; restriction on eligibility to represent the College at any official function or in any intercollegiate competition. If a suspension is imposed on a student, it may be for part of a semester, a full semester, or an entire academic year. An employee may be suspended for any length of time determined appropriate by the Director of Human Resources. Following a suspension, the individual will be required to meet with the Dean of Students (student) or Director of Human Resources (employee) to discuss re-entry and expectations going forward.

In addition, the College can make available to the victim a range of protective measures. They include: forbidding the accused from entering the victim’s residence hall and from communicating with the victim, other institutional no-contact orders, security escorts, modifications to academic requirements or class schedules, changes in working situations, etc.

Publicly Available Recordkeeping:

The College will complete any publicly available recordkeeping, including Clery Act reporting and disclosures, without the inclusion of personally identifiable information about victims of dating violence, domestic violence, sexual assault, and stalking who make reports of such to the College to the extent permitted by law.

Victims to Receive Written Notification of Rights:

When a student or employee reports to the College that he or she has been a victim of dating violence, domestic violence, sexual assault, or stalking, whether the offense occurred on or off campus, the College will provide the student or employee a written explanation of his or her rights and options as described in the paragraphs above.

Sex Offender Registration Program:

The Campus Sex Crimes Prevention Act of 2000 requires institutions of higher education to advise members of the campus community where they can obtain information provided by the state concerning registered sex offenders. It also requires sex offenders to notify the state of each institution of higher education in the state at which they are employed or enrolled or carrying on a vocation. The state is then required to notify the College of any such information it receives. Anyone interested in determining whether such persons are on this campus may do so by contacting the UAHT Chief of Campus Police Freddie Parks at 870-722-8571 or freddie.parks@uaht.edu. State registry of sex offender information may be accessed at the following link: <https://sexoffenderregistry.ar.gov/public/>

Timely Warnings & Emergency Response

Timely Warnings

In the event of criminal activity occurring either on campus or off campus that in the judgment of the Campus Safety Team constitutes a serious or continuing threat to members of the campus community, a campus-wide “timely warning” will be issued. Examples of such situations may include a sexual assault or a series of motor vehicle thefts in the area that merit a warning because they present a continuing threat to the campus community. Warnings will be communicated to students and employees via one or more of the methods discussed later in this section. Updates to the warnings will be provided as appropriate.

The Campus Safety Team membership includes the Chief of Campus Police, Provost, Vice Chancellor for Student Services, Dean of Student Services & Financial Aid, Dean of the Texarkana Campus, Director of EMS/Paramedic Program, Communications Coordinator, and Director of Physical Plant.

Anyone with information warranting a timely warning should immediately report the circumstances to:

- UAHT Campus Police Hope Campus, 870-722-8570
- UAHT Campus Police Texarkana Campus, 870-216-2907
- Vice Chancellor for Student Services, 870-722-8227
- Dean of Student Services, 870-722-8108
- Dean of the Texarkana Campus, 870-722-8109

The College has communicated with local law enforcement asking them to notify the College if it receives reports or information warranting a timely warning.

Emergency Response

The College has an emergency management plan designed to ensure there is a timely and effective response in the event of a significant emergency or dangerous situation occurring on campus involving an immediate threat to the health or safety of members of the campus community. Such situations include, but are not limited to: tornadoes, bomb threats, chemical spills, disease outbreaks, fires, active shooters, etc. The College has communicated with local

police requesting their cooperation in informing the College about situations reported to them that may warrant an emergency response.

Students, staff and visitors are encouraged to notify the UAHT Campus Police at 870-722-8570 of any emergency or potentially dangerous situation.

The Campus Safety Team will access available sources of information from campus administrative staff and local authorities to confirm the existence of the danger and will be responsible for initiating the institution's response and for marshaling the appropriate local emergency response authorities for assistance. Depending on the nature of the emergency, other College departments may be involved in the confirmation process.

Once the emergency is confirmed and based on its nature, the Campus Safety Team will consult with other appropriate College officials to determine the appropriate segment or segments of the College community to be notified.

The Vice Chancellor for Student Services in collaboration with other appropriate personnel, will determine who should be notified, and will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

Depending on the segments of the campus the notification will target, the content of the notification may differ. When appropriate, the content of the notification will be determined in consultation with local authorities. Also, as appropriate, the notification will give guidance as to whether its recipients should shelter in place or evacuate their location.

The Vice Chancellor for Student Services will direct the issuance of emergency notifications, which will be accomplished using one or more of methods discussed later in this section, depending on the nature of the threat and the segment of the campus community being threatened.

At the direction of the Vice Chancellor for Student Services, the College's Chief of Campus Police will notify local law enforcement of the emergency if they are not already aware of it, and the Coordinator of Communications will notify local media outlets in order that the larger community outside the campus will be aware of the emergency.

Testing & Documentation

The College tests its emergency response and evacuation procedures at least once a year. The tests may be announced or unannounced. Also, at various times the Campus Safety Team will meet to train and test and evaluate the College's emergency response plan.

The Chief of Campus Police maintains a record of these tests and training exercises, including a description of them, the dates and times they were held and an indication of whether they were announced or unannounced. In connection with at least one such test, the College will distribute to its students and employees information to remind them of the College's emergency response and evacuation procedures.

Stop Campus Hazing Policy and Programming

At the University of Arkansas Community College at Hope-Texarkana, all students, faculty, staff, alumni, and volunteers should understand that hazing is not only unacceptable and a violation of the University of Arkansas Community College at Hope-Texarkana's rules and policies but is also against the law.

"Hazing" means:

- a. A willful act on or off the property of the University by one Student, alumnus, or volunteer or employee of a fraternal organization if the volunteer or employee is acting on behalf of, or in the name of, the fraternal organization, acting alone, or acting with others when the conduct is directed against any other Student and done for the purpose of intimidating the Student attacked by threatening him or her with social or other ostracism or of submitting such Student to ignominy, shame, or disgrace among his or her fellow Students, and acts calculated to produce such results;
- b. The playing of abusive or truculent tricks on or off the property of the University by one Student, alumnus, or volunteer or employee of a fraternal organization if the volunteer or employee is acting on behalf of, or in the name of, the fraternal organization, acting alone, or acting with others, upon another Student to frighten or scare him or her;
- c. A willful act on or off the property of the University by one Student, alumnus, or volunteer or employee of a fraternal organization if the volunteer or employee is acting on behalf of, or in the name of, the fraternal organization, acting alone, or acting with others which is directed against any other Student done for the purpose of humbling the pride, stifling the ambition, or impairing the courage of the Student attacked or to discourage him or her from remaining in that school, college, university, or other educational institution, or reasonably to cause him or her to leave the institution rather than submit to such acts; or
- d. A willful act on or off the property of the University by one Student, alumnus, or volunteer or employee of a fraternal organization if the volunteer or employee is acting on behalf of, or in the name of, the fraternal organization, acting alone, or acting with others in striking,

beating, bruising, or maiming; or seriously offering, threatening, or attempting to strike, beat, bruise, or maim; or to do or seriously offer, threaten, or attempt to do physical violence to any Student of any such educational institution; or any assault upon any such Student made for the purpose of committing any of the acts, or producing any of the results, to such Student as defined in this section.

e. The term “hazing”

- i. Does not include customary athletic events or similar contests or competitions; and
- ii. Is limited to those actions taken and situations created in connection with initiation into or affiliation with an organization, extracurricular activity, or sports program.

Complaints or concerns of hazing should be reported to the Dean of Student Services, UAHT Campus Police, or to the local police. The Dean of Student Services can be contacted at marla.bush@uaht.edu or 870-722-8108. Complaints may also be filed online using the [Student Conduct Complaint Form](#).

Complaints or concerns of hazing involving students reported to the institution will be investigated and handled using the process identified in the Student Code of Conduct. The Student Code of Conduct is found at [UAHT Student Code of Conduct](#). Complaints or concerns of hazing involving employees reported to the institution will be investigated and handled by the Department of Human Resources.

When a report of hazing is received, the Office of the Dean of Student Services or the Human Resources Office will make a determination regarding whether an investigation must occur. If so, an investigator will be assigned to gather information and conduct interviews, as appropriate. The investigator will report any findings and make a recommendation for sanctions as appropriate to the relevant administrator for implementation. The institution strives to complete the investigation within 30 days.

An individual may appeal the decision to the Vice Chancellor for Student Services within 5 days of being notified of the decision. The appeal officer will render a decision within 14 days of receiving an appeal. The appeal officer’s decision is final.

Hazing Prevention and Awareness Program

The institution provides research-informed prevention and awareness programming related to hazing. UAHT requires students to complete a training course, Hazing Awareness and Prevention for Students, which is presented in interactive computer modules. The College also provides information regarding hazing during new student orientations each semester. Hazing information is provided to employees during professional development at the beginning of each semester. The community is reminded that hazing is prohibited and is provided information regarding how to file a report how reports of hazing are investigated and information regarding local, state and tribal laws on hazing.

In addition, the institution provides research-informed programming for students and employees that covers a wide range of information designed to stop hazing before it occurs. It includes information regarding bystander intervention, such as how to take steps to watch out for those around you, as well as information regarding ethical leadership. Community

members are also provided information regarding how to strengthen group ties without engaging in hazing behavior.
