The awarding of UAHT Scholarships is contingent upon available funding. In the event the number of qualified applicants for a particular scholarship exceeds the number of available awards, the following procedures will be used to determine the recipients:

1. Date completed application (Scholarship application, Application for Admission, ACT scores, and 7th semester transcript) was received in the Enrollment Management Office
2. ACT composite scores -- ranked highest to lowest
3. ACT scores on individual sub-test -- Reading, English, Mathematics -- using super score method -- highest to lowest
4. Cumulative high school grade point average -- highest to lowest

Scholarship Stacking Policy

Act 1180 of 1999 prohibits postsecondary institutions from using public funds in a student aid package which exceeds the cost of attendance at that institution. UAHT follows the Arkansas Department of Higher Education regulations by reducing scholarship amounts which cause awards to exceed cost of attendance. Scholarships awarded by UAHT will be reduced before other scholarships. In the absence of direction from private donor, all private funds will be split equally between fall and spring semesters.
