Health Professions

EMERGENCY MEDICAL SERVICES (EMTs & PARAMEDICS)

EMTs & Paramedics

\$46,350

MEDIAN ANNUAL WAGES

\$22.28/HOURLY

JOB OUTLOOK

+6% Expected increase between
2023-2033

What EMTs & Paramedics Do

Emergency medical technicians (EMTs) and paramedics assess injuries and illnesses, provide emergency medical care, and may transport patients to medical facilities.

Duties include:

- Respond to calls for medical assistance, such as at the scene of a car accident in which someone is injured
- Assess people's condition and determine what treatment, if any, is needed
- Provide treatment, such as first aid or life support care, to sick or injured patients
- Prepare patients for and safely transport them to the emergency department of a hospital or other healthcare facility
- Document and report observations and any treatment provided, to physicians, nurses, or other healthcare staff
- Inventory and replace medical supplies and clean equipment after use

Get Started at UAHT

3 Options:

- Certificate of Proficiency-
Emergency Medical Technician
Basic (7 hours) (1 semester)
- Technical Certificate in
Paramedic (42 hours) (1 year)
- Associate of Applied Science in
Paramedic (60 hours) (2 years)

THIS OPTION IS FOR YOU IF:

- ✓ You are a compassionate person.
- ✓ You are detail oriented.
- ✓ You enjoy working with a team.
- ✓ You are physically fit and enjoy being active.
- ✓ You can remain composed in stressful situations.

Health Professions

NURSING ASSISTANT (CNA)

Nursing Assistants & Orderlies

\$39,430

MEDIAN ANNUAL WAGES

\$18.96/HOURLY

JOB OUTLOOK

+4% Expected increase between
2023-2033

What Nursing Assistants & Orderlies Do

Nursing assistants provide basic care and help patients with activities of daily living. Orderlies transport patients and clean treatment areas.

Duties include:

- Clean and bathe patients
- Help patients use the toilet and dress
- Turn, reposition, and transfer patients between beds and wheelchairs
- Listen to and record patients' health concerns and report that information to nurses
- Measure patients' vital signs, such as blood pressure and temperature
- Serve meals and help patients eat
- Help patients to move around the facility, such as by pushing their wheelchairs
- Clean equipment and facilities
- Change linens
- Stock supplies

Get Started at UAHT

1 Option:

- Certificate of Proficiency in Certified Nursing Assistant-CNA (6 hours) (1 semester)

THIS OPTION IS FOR YOU IF:

- ✓ You are patient and enjoy a routine.
- ✓ You can stand for long periods of time.
- ✓ You are a compassionate and caring person.
- ✓ You enjoy working with people.

What Licensed Practical Nurses & Licensed Vocational Nurses Do

Licensed practical nurses (LPNs) and licensed vocational nurses (LVNs) provide basic medical care. They work under the direction of registered nurses and doctors.

Duties include:

- Monitor patients' health by checking their blood pressure, body temperature, and other vital signs
- Provide basic patient care and comfort, including changing bandages and helping with bathing or dressing
- Discuss care with patients and listen to their concerns
- Report patients' status and concerns to registered nurses, advanced practice nurses, or physicians
- Document patient care and maintain health records

Health Professions

PRACTICAL NURSING

Practical Nurses

\$62,340

MEDIAN ANNUAL WAGES

\$29.97/HOURLY

JOB OUTLOOK

Get Started at UAHT

1 Option:

- Technical Certificate in Practical Nursing (54-56 hours) (1 year)

Hope Campus Application window: (March 1 – May 1)

Texarkana Campus Application window: (September 1 – November 1)

THIS OPTION IS FOR YOU IF:

- ✓ You are compassionate and caring.
- ✓ You are a strong communicator.
- ✓ You are detailed oriented.
- ✓ You enjoy working with people.

What Registered Nurses Do

Registered nurses (RNs) provide and coordinate patient care, educate patients and the public about various health conditions, and provide advice and emotional support to patients and their families.

Duties include:

- Assess patients' conditions
- Record patients' medical histories and symptoms
- Observe patients and record the observations
- Administer patients' medicines and treatments
- Set up plans for patients' care or contribute information to existing plans
- Consult and collaborate with doctors and other healthcare professionals
- Operate and monitor medical equipment
- Help perform diagnostic tests and analyze the results
- Teach patients and their families how to manage illnesses or injuries
- Explain what to do at home after treatment

Health Professions

REGISTERED NURSING LPN/LPTN/LVN TO RN TRANSITION

Practical Nurses

\$93,600

MEDIAN ANNUAL WAGES

- Associate of Arts Registered Nursing Texas A&M Texarkana Transfer Option (60 hours) (2 years)
- Associate of Applied Science in Nursing LPN/LPTN/LVN to RN Transition-ARNEC (66 hours) (1 year)
 - ARNEC Application window (January 1 – August 31)

THIS OPTION IS FOR YOU IF:

- ✓ You can remain calm under pressure.
- ✓ You have excellent communication skills.
- ✓ You manage your time efficiently.
- ✓ You are a compassionate and empathetic person.

What Funeral Service Workers Do

Funeral service workers organize and manage the details of a funeral. Funeral service managers oversee the general operations of a funeral home business. They perform a wide variety of duties such as planning and allocating the resources of the funeral home, managing staff, and handling marketing and public relations.

Duties include:

- Offer counsel and comfort to families and friends of the deceased
- Provide information on funeral service options
- Arrange for removal of the deceased's body
- Prepare the remains (the deceased's body) for the funeral
- File death certificates and other legal documents with appropriate authorities

EDUCATION

Early Childhood | K-6 & Middle School Education | Teacher Assistant

What Childcare Workers Do

Childcare workers attend to children's needs while helping to foster early development. They may help younger children prepare for kindergarten or assist older children with homework

Duties include:

- Supervise and monitor the safety of children
- Prepare and organize mealtimes and snacks for children
- Help children keep good hygiene
- Change the diapers of infants and toddlers
- Organize activities or implement a curriculum that allows children to learn about the world and explore their interests
- Develop schedules and routines to ensure that children have enough physical activity, rest, and playtime
- Watch for signs of emotional or developmental problems in children and bring potential problems to the attention of parents or guardians
- Keep records of children's progress, routines, and interests

THIS OPTION IS FOR YOU IF:

- ✓ You enjoy working with all kinds of people.
- ✓ You have excellent communication skills.
- ✓ You are good at multitasking and time management.
- ✓ You have a large amount of patience and can remain calm in all situations.

What Kindergarten, Elementary & Middle School Teachers Do

Kindergarten and elementary school teachers instruct young students in basic subjects, such as math and reading, in order to prepare them for middle school. Middle school teachers educate students, typically in sixth through eighth grade. Middle school teachers help students build on the fundamentals taught in elementary school and prepare students for high school.

Duties include:

- Create lesson plans to teach students subjects, such as reading, science, and math
- Teach students how to interact with others
- Observe students to evaluate their abilities, strengths, and weaknesses
- Instruct an entire class or smaller groups of students
- Grade students' assignments
- Communicate with parents or guardian about their child's progress
- Work with students individually to help them overcome specific learning challenges
- Prepare students for standardized tests required by the state
- Develop and enforce classroom rules to teach children proper behavior

COMPUTER & INFORMATION SCIENCE

Information Technology | Cybersecurity

What Computer Support Specialists Do

Computer support specialists assist computer users and organizations. These specialists either maintain computer networks or provide technical help directly to computer users.

What Web Developers & Digital Designers Do

Web developers create and maintain websites. They are also responsible for the site's technical aspects, such as its performance and capacity, which are measures of a website's speed and how much traffic the site can handle. In addition, web developers may create content for the site. Digital designers develop, create, and test website or interface layout, functions, and navigation for usability. They are responsible for the look and functionality of the website or interface.

 - Basic = two CP's (21-24 hours) (1 year)
 - Advanced = four CP's (45 hours) (2 years)
- Associate of Applied Science in Diesel Technology (60 hours) (2 years)

THIS OPTION IS FOR YOU IF:

- ✓ You enjoy fixing things.
- ✓ You have a sharp attention to detail.
- ✓ You thrive in a changing work environment.
- ✓ You enjoy playing with the latest technology.

What Industrial Machinery Mechanics, Machinery Maintenance Workers, & Millwrights Do

Industrial machinery mechanics and machinery maintenance workers maintain and repair factory equipment and other industrial machinery, such as conveying systems, production machinery, and packaging equipment. Millwrights install, dismantle, repair, reassemble, and move machinery in factories, power plants, and construction sites.

What Electromechanical & Mechatronics Technologists & Technicians Do

Electro-mechanical and mechatronics technologists and technicians combine knowledge of mechanical technology with knowledge of electrical and electronic circuitry. They operate, test, and maintain unmanned, automated, robotic, or electromechanical equipment.

What Electrical & Electronics Installers & Repairers Do

Electrical and electronics installers and repairers install or repair a variety of electrical equipment in transportation, utilities, and other industries.

What Heavy & Tractor-Trailer Truck Drivers Do

Heavy and tractor-trailer truck drivers transport goods from one location to another. Most tractor-trailer drivers are long-haul drivers and operate trucks with a total weight exceeding 26,000 pounds for the vehicle, passengers, and cargo. These drivers deliver goods over intercity routes that sometimes span several states.

Duties include:

- Drive long distances
- Report any incidents encountered on the road to a dispatcher
- Follow all applicable traffic laws
- Secure cargo for transport, using ropes, blocks, chains, or covers
- Inspect their trailers before and after the trip and record any defects they find
- Maintain a log of their working hours, following all federal and state regulations
- Report serious mechanical problems to the appropriate people
- Keep their trucks and associated equipment clean and in good working order

What's Next?

Use this checklist to complete your admission and enrollment process at UAHT!

- ☐ Submit a free application for admission at uaht.edu/admissions/apply-now.php by creating a Workday account.
- ☐ Complete your FAFSA application online at FAFSA.gov.
- ☐ Request your high school counselor to submit official transcripts, test scores, and immunization records to the UAHT Enrollment Management Office at admissions@uaht.edu.
- ☐ Meet with your advisor in the Purtle Advising Center. First time students must see an advisor to receive a degree plan and enroll in classes.
- ☐ Get your Student ID card and parking pass by visiting the Enrollment Management Office (Hope campus) or the TKA front desk (Texarkana campus).
- ☐ Pay tuition and fees through your Workday account or the UAHT Business Office: 870.722.8213.
- ☐ Get your textbooks! Make sure to bring your class schedule and student ID with you to the Rapert Library (Hope campus) or the first floor of the Texarkana Professions Building (Texarkana campus) so UAHT staff can help you find the books you need!
- ☐ Register and attend New Student Orientation before your first fall semester at UAHT to learn about various campus resources, review academic expectations, and meet with your peers, faculty, and staff members. Contact the Enrollment Management Office for more information.
- ☐ Log in to your student email account, Blackboard, Workday, and Campus Connect!
- ☐ Go to your classes, and enjoy your time at UAHT!
