

Business Studies (2+2 TAMUT), Associate of Science

2026-2027 Catalog

Program Overview

The Associate of Science in Business Studies is designed for students who plan to transfer to Texas A&M University–Texarkana through the 2+2 transfer agreement and complete a Bachelor of Business Administration (BBA). Students will build a strong foundation in business, economics, finance, and law while developing analytical, problem-solving, and decision-making skills. Through this program, students learn to analyze business and financial information, understand economic principles and their impact on global markets, and apply legal concepts to business situations. The degree provides a seamless pathway to the BBA program at Texas A&M University–Texarkana and prepares students for advanced business studies and a wide range of professional careers in the business field.
